

Periodic Table of the Elements with Isotope Mass and Abundance

Footnotes
 * Isotope abundances <1% not listed for this element.
 ** Most stable isotope marked in white for this element.

References
 Isotope data is extracted from IUPAC Periodic Table of the Elements and Isotopes (IPEI) for the Education Community (IUPAC Technical Report Volume 90, Issue 12) and IUPAC Atomic weights of the elements 2013 (IUPAC Technical Report Volume 88, Issue 3)
